A C-FREE[®] Product

We start by reducing the product's impact by switching to at least 50% preferred materials. We then neutralize the total carbon footprint of each product in the C-FREE program—from the product's initial raw materials to its end-of-life—through the ClimeCo Certified Product[™] Program. This certification purchases third-party, verified carbon offsets through ClimeCo. [View and download](#) the ClimeCo certified product certificate.
